

**Woodinville Family Preschool**  
***Job Options Program (JOP) Application for 2008-09***

The Job Options Program (JOP) is offered as an alternative to the traditional co-op job responsibility format; although participation in the JOP replaces the requirement that you hold a preschool job, it has no bearing on other responsibilities of membership such as registration and tuition fees. If it would be better for your family not to hold a preschool job during the coming school year, you may elect to help cover the cost of outsourcing this responsibility. For the 2008-09 school year we have allocated 16 slots to the JOP.

If you are interested in participating in the JOP for 2008-09, you may put your name on the wait list for the program at any time by emailing the director at [wfp@drizzle.com](mailto:wfp@drizzle.com). This opportunity is available on a first-come-first-served basis. The annual payment of \$550 is due at the time of your preschool registration in February 2008. Should you later need to withdraw from the program this payment is non-refundable. For further information, please see the blue pages of your handbook or contact the director.

To apply for the Job Options Program for 2008-09, please complete the following and submit with your JOP check for \$550, payable to *Woodinville Family Preschool*, and your preschool registration form on or after February 1, 2008.

*Attached is my check for the Job Options Program for 2008-09, which provides funds for the preschool to contract out specific job duties. As a participant in this program, my family will not be required to hold a preschool job. All other responsibilities of membership in Woodinville Family Preschool remain the same, as outlined in the Membership Responsibility Agreement. I understand that acceptance into the JOP for this school year has no bearing on my participation during any other school year if space is available and I pay the non-refundable annual fee. For the 2008-09 school year, I understand that once my check has been submitted to the preschool and I have been notified of my acceptance into this program, the annual fee of \$550 is non-refundable.*
